SUBJECT:

Revised Executive Order for PFIAB

As you know, the President has approved expanding the responsibilities of PFIAB to include oversight of intelligence matters. He has also approved renaming the board to clearly indicate its new responsibilities. These changes are to be included in a new Executive Order that should be ready for the President's signature by COB this Friday, October 3.

Transmitted herewith for your comments is a proposed Executive Order prepared by PFIAB to implement the President's decisions (Tab A). Also attached as a point of comparison only is the last version of a revised Executive Order put together several weeks ago by the in-house group representing the Counsel's office, OMB, NSC and the Vice President's office (Tab B).

I would like your comments on the PFIAB's draft Executive Order (Tab A) by COB tomorrow, October 1. Mike Duval will schedule a meeting for ~~Thursday, October 2~~ *Friday* to resolve any outstanding differences.

I know that the time is short, but this is a matter that we have all been considering for some time.

Your cooperation is appreciated.
